*Enrollment in these programs is limited due to physical classroom space and teacher availability. For example, 1 auto teacher = only 6 periods of auto in the entire year spread across 3 grades. **If you can't choose it because it is full in myBp, you can add it in as an alternate choice.**

Students are able to select one **ONE leadership course. If interested, you must choose either Business Leadership (BOH) or Recreation Leadership (PLF).

Step 4: Know All of the Options You Have

- If the class you want has reached the enrollment limit, it will say the course is **"no longer available"**
- If you get this message, you must select a different course at course selection time, then **choose this course as an alternate**
- Follow up with google form to declare the tech you need/want

Step 5: Know All of the Different Paths You Can Take
