1. Welcome and Land Acknowledgment

K. Hobin/C. Savage

Acknowledgement of Traditional Lands

The Durham District School Board acknowledges that many Indigenous Nations have long standing relationships, both historic and modern, with the territories upon which our school board and schools are located. Today, this area is home to many Indigenous peoples from across Turtle Island. We acknowledge that the Durham Region forms a part of the traditional and treaty territory of the Mississaugas of Scugog Island First Nation, the Mississauga Peoples and the treaty territory of the Chippewas of Georgina Island First Nation. It is on these ancestral and treaty lands that we teach, learn and live.

Indigenous Inherent Rights:

The Durham District School Board recognizes Indigenous rights are distinct. In the exercise of those rights, Indigenous staff and students shall not be subjected to actions with the aim or effect of depriving these distinct rights.

Human Rights and Equity Statement:

The Durham District School Board is committed to learning and working environments that centre human rights and equity, and are **safe**, welcoming, respectful, equitable, **accessible**, inclusive, and free from discrimination
