EXAM RULES & PROCEDURES

In preparation for exams this semester, all students must read and understand the following exam rules and procedures:

1. Rooms that have been changed for exams will appear in **Blue.**
2. Formal Exams are from Wednesday, January 21st to Monday, January 26th, with Tuesday, January 27th being the inclement weather day. The exam schedule is available on the school website and Students’ Google Classrooms.
3. Formal exams from January 21- 27th begin at 8:15 am and run for 1.5 or 2.0 hours. Students are responsible for arriving on time with adequate writing supplies.
4. Students arriving late for any exam must report to the office before going to the exam. Students arriving late will be given the remaining time to write the exam in the late room.
5. Exam Attendance - Examinations are clearly marked on the school calendar. If a student is absent for an examination, they must demonstrate that the absence was unavoidable. In the case of illness, a doctor's statement is required stating medically unfit for exams. If necessary, the school will arrange alternate examinations for illness or family tragedy. In the case where the absence is deemed to be invalid, the exam mark shall be zero and incomplete. The report mark shall reflect its impact, and the credit jeopardized.

6. If buses are canceled for any reason, exams scheduled for that day will be rescheduled for the following day. All exams will be moved to the next day in the schedule. Should this occur on the last day of scheduled exams on January 26th, those exams will be rescheduled to January 27th.
7. School buses will run on a regular schedule.
8. **At the conclusion of an exam students must leave school property.** The only exception to this rule is students who normally take a school bus. These students must either remain in the cafeteria or leave school property. Students are not to be in the halls while exams are in session.

13. Students shall not communicate with one another in any manner whatsoever during the examination. Communicating with another student during an exam may be perceived as cheating.
